LETTER FROM THE PRESIDENT

As 2010 draws to an end I find myself reflecting on a pretty terrific year. We had a lot of great events and a lot of community spirit. Some times when things seem to be at their toughest is when people need to come together as a community.

And as I look forward I see that we have opportunities . . . opportunities to celebrate our town and to fight to keep our town great. I hope that we are able to work together and enjoy our community in 2011.

Respectfully,
Marti Primich
