## News and Notes From Chamber Members

### Sunrise Lodge: South Side Musky Hawks

The South Side Musky Hawks recently held their Spring Outing at Sunrise Lodge on Lac Vieux Desert. A total of 23 club members attended over the Memorial Day Weekend and enjoyed great weather and very good fishing. Jack Frost, club member caught the biggest musky of the trip which was a 42 inch tiger musky. Most members were happy catching northerns, walleyes, crappies and lots of bluegills.

The South Side Musky Hawks are a group of fishermen and fisherwomen from the Chicago land area who promote catch and release musky fishing, fish stocking and musky habitat improvement. Club Official John McNicholas said "Sunrise Lodge is a great place for our club to hold their annual spring outing and many members want to return for a fall outing as they truly appreciate the quality accommodations, excellent food, and great service. Fishing is just a bonus." Sunrise Lodge annually donated a 3 night stay with meals for the club fundraiser and that donation creates a lot of good will and pays off for our business down the road.

## LETTER FROM THE PRESIDENT

Chamber Board President, Marti Primich

I cannot believe it is the middle of June already. Here at the resort summer is about a week away from kicking into high gear. It is always an exciting time when summer is looming and the activity level around town really begins to grow.

Speaking of which, I would like to thank the Phelps Community Development Committee for the beautiful flowers and landscaping around town and at the lakeshore. Taking steps like these are exactly what is needed to keep our town moving forward.

Summer also means it is event time and June is packed full of them. We just had our Rummage-A-Rama with 21 vendors this year.

We are starting a Farmer's Market on Tuesdays, so if you know anyone who does crafts or likes to garden, send them our way. Let's all try to make this a successful and lasting tradition in Phelps. Our Kick it in Phelps Kickball tournament is just around the corner, so get a team together or just come on down for the fun.

And finally just into July we have our 4<sup>th</sup> of July festivities.

All of these things are here to benefit our businesses. So tell your guests about them or post a flyer in your window and let's have a great summer.

Respectfully,  
Marti Primich  
Chamber President  
North Twin Lodge
