LETTER FROM THE PRESIDENT

Hello everyone, I hope that you had a great summer as it clearly seems that we have moved into fall. Plenty of rain and frost warnings leave me hoping for a more typical winter with plenty of snow.

But before the snow moves in we have a few more events that are much better without the snow. This weekend is our colorama brunch combined with our first ever 5K run/walk. The brunch is a nice tradition and now it is growing. In addition to the 5K the women's club is joining in with their scarecrow and pumpkin contest. All these things really help to welcome in the fall season.

Chamber Board President, Marti Primich

Just around the corner is one of our oldest events, the Midwest Musky Classic. With a few changes this year because of size limit changes on some of our lakes, it still stands to be one of our premier events. This event often brings up to 100 fishermen and often their families to our area businesses.

Finally, we are now planning for our annual meeting. This is a great opportunity for all of us to get out and mingle with each other. This year's meeting is exciting because we are nearing a full year of having Mary Ann as a full time employee of the Chamber. Many of you still may not have met her and this is a great opportunity for just that.

As always we can use help in many forms with our events. Please contact Mary Ann to see how you can help.

Respectfully,
Marti Primich
Phelps Chamber of Commerce - President
