CHAMBER ANNOUNCES PHOTO CONTEST

The Chamber is in the process of creating new spring/summer banners to replace the snowmen banners that welcome visitors to our community. To facilitate this process, the chamber will be holding a photo contest open to all residents of Phelps; both adults and children. The Board of Directors will select first, second and third place winners of the contest. The first place winner's photo will be displayed on the street pole banners throughout the downtown area from spring until mid-summer. In addition, the first place winner will receive a \$25 chamber gift certificate that can be used at participating local businesses. The second place winner will receive a \$15 gift certificate and the third place winner will receive a \$10 gift certificate. Photos must be of a spring or summer outdoor scene, (lakes, woods, etc., no people, please). Photos must be submitted electronically via email to the chamber office. The chamber's email address is pheplschamber@gmail.com. Photos must be in jpeg format and be between 100 and 360 dpi. The chamber encourages everyone to submit photos and be a part of this community project. If you have any questions, please call the chamber office at 715-545-3800. Deadline for submission of photos is March 15, 2011. Good luck to all of our photographers!!

Hello everyone, I am sorry that I missed last month's newsletter. It has been a busy winter for me both personally and in business. Either way it is great to see us moving forward on to another year.

Once again we face many obstacles in our community, and around the whole country. The economy is tough, but they say it is in a recovery period, okay. This winter has had another batch of mystery weather with a pretty big snow storm down south. But, that does not matter if we come together to keep our community strong.

We have many events planned for 2011 along with the other organizations' events. You can hardly go a weekend in the summer without something happening. A great way to help the community is to get involved. You could volunteer for an event, sell some things in the rummage-a-rama, get a kickball team together, or just come and enjoy the day at an event that you may have never attended before.

Last summer's farmers market went pretty well and I am looking forward to it again this year. It is just nice to go downtown and see something happening. We hope to have that on some Saturdays this summer as well so that everyone can have a chance to try some fresh offerings.

Sorry, I guess I am just rambling on . . . so all I am trying to say is lets have a great year in 2011.

Best Regards,
Marti Primich, Phelps Chamber of Commerce - President
